

Privacy Policy

1. This notice provides Devexperts LLC (“Devexperts”) privacy policy (the “Policy”) regarding the nature, purpose, use, and sharing of any Personal Information (the “Information”), collected via dxMobile Application (the “Application”).
2. The Information may include:
 - a. Email and password;
 - b. Automatically Collected Information, including, but not limited to: the type of a mobile device, a unique device ID, an IP address of a mobile device, an operating system.
3. The Application obtains the Information, when You register an account. The registration is optional, however, some features offered by the Application, may be available only to the registered users. The Information requested by Devexperts will be used to provide You an authorized access to the Application and to improve the Application. The Information You provide will be used only for its intended purpose.
4. Devexperts may disclose the provided Information, if Devexperts has a good-faith belief that access, use, preservation or disclosure of the Information is reasonably necessary to:
 - a. meet any applicable law, regulation, legal process or enforceable governmental request;
 - b. detect, prevent, or otherwise address fraud, security or technical issues;
 - c. protect against harm to the rights, property or safety of Devexperts, our users or the public as required or permitted by law.Devexperts may also provide the Information to its affiliates.

If Devexperts is involved in a merger, acquisition or asset sale, Devexperts will continue to ensure the confidentiality of the Information and give affected users notice before the Information becomes subject to a different privacy policy.
5. Devexperts takes reasonable precautions to maintain the security, confidentiality, and integrity of the information Devexperts collect, namely:
 - a. Employ internal access controls to ensure that only need-to-know personnel have access to Your information in order to perform its official duties;
 - b. Train appropriate personnel on our privacy and security policies and compliance requirements;
 - c. Perform regular backups of the Information Devexperts collect to ensure against loss;
 - d. Use technical controls to secure the Information, including, but not limited to:
 - i. Encryption;
 - ii. Firewalls;
 - iii. Password protections;
 - e. Periodically test our security procedures to ensure personnel and technical compliance;
 - f. Employ external access safeguards to identify and prevent unauthorized access by third parties that attempt to reach, or cause harm to any information, contained in our systems.
6. Collection of the Information can be stopped easily by uninstalling the Application, using the standard uninstall processes as may be available as part of the mobile device or via the mobile application marketplace or network. Devexperts will retain the Information during the use of the Application and for a reasonable time thereafter. The Information may be stored in the anonymized and aggregated form for the unlimited period of time.
7. Unfortunately, the transmission of information via electronic, online or wireless means is not completely secure. Although Devexperts do its best to protect the Information, Devexperts cannot guarantee the complete security, while transmitted to or through the Application. Any transmission of the Information through the Application, is done so at Your own risk. By downloading, accessing, registering or using the Application, You understand and agree that Devexperts makes no guarantees regarding the security or secure transmission of the information. By downloading, accessing, registering or using the Application, You further understand and agree that Devexperts makes no guarantees regarding its ability to prevent, delay, avoid or foresee the accidental loss or unauthorized access, use, alteration or disclosure of any or all of the Information.
8. By downloading, accessing, registering or using the Application, You are consenting to our processing of the Information as it specified in this Policy now and as amended further. “Processing” means using or touching information, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information.
9. This Policy may be updated from time to time. Devexperts will notify You of any changes to the Policy by posting the new version here and continued use, downloading or accessing of the Application is deemed as approval to all the changes.
10. If You have any questions regarding the Policy or use of the Information, please contact us at: androidmarket@devexperts.com.
